

# INFANT MASSAGE CLASS FOR PARENTS

Infant massage is a great way for you to bond with your baby while discovering the ways they are communicating with you.

During the course you will learn a sequence of strokes that can support settling, digestion and bonding.

This 4 week course is for parents and caregivers with babies aged birth— 6 months.

Massage oil and materials will be provided. Please bring a towel or blanket for your baby to lie on during the massage.

Facilitated by Occupational Therapist, Megan Coad.
